## Pouches

### Extended Pistol TACO® LT

Our lightweight line of TACOs® functions the same as the originals but weighs 25% less using lighter materials. This pouch will hold most pistol caliber carbine and high capacity pistol magazines, collapsible batons, large flashlights and more. It can bend and flatten without losing shape or breaking.

- Proprietary lightweight 1000D Cordura® laminate, shock cord, and flexible injection-molded polymer brackets provide versatility in size and adjustable retention
- Tapered, protruding brackets enable quick and easy indexing and reinsertion of items or magazines
- Securely holds most high-capacity, pistol-caliber magazines
- Magazines deploy easily and silently on demand
- Strip of loop Velcro® sewn inside for added contact and grip
- MOLLE version includes HSGI® Clips for attachment to PALS
- Belt mount version attaches with Velcro® One-Wrap® to belts up to 2"
- Double-needle binding
