For those officers who prefer a shorter boot, the Metro Air 5" Side-Zip delivers the air cushioning comfort to keep you confident and feeling great at the end of your shift. Designed to take on any challenge, this boot uses our Metro Traction outsole with waffle lug design for additional traction.

- Metro durable, slip and oil resistant, non-marking rubber outsole with waffle traction and ladder grip control, meets the ASTM F489-96 test for slip resistance
- Non-visible heel air cell for impact absorption and comfort
- Stitched heel and toe for durability and extended service life
- Custom-molded phylon EVA midsole for lightweight comfort and cradled support
- Texon stability platform for lateral support and torsional rigidity
- Airport friendly nylon shank for lightweight support and fatigue control
- Polishable leather toe
- Leather / 1000 denier nylon upper for improved durability and comfort
- Double-stitched upper with 3-ply bonded nylon thread for extended durability
- Custom-molded thermoplastic heel counter and toe box for instant comfort and lateral support
- Foam padded collar and tongue for protection and increased breathability
- Non-metallic rust proof hardware
- PU collar for easy cleaning
- Removable custom fit EVA insole
- Gusseted tongue to keep dirt and debris out
- YKK® side-zipper for easy on and off fit with hook and loop closure
